## In the news

- **author:**Rachel England
- **title:**Rian Johnson: Apple won’t let movie villains use iPhones on camera
- **description:**Product placement in Hollywood has existed almost since the advent of movies themselves, so by now we're all fairly immune to seeing glaringly obvious logos and brands on the big screen. And while no company wants to be associated with negative connotations, ...
- **content:**According to Knives Out and Star Wars: The Last Jedi director Rian Johnson, Apple has a strict stipulation in its product placement contracts that its devices cannot be used by any villainous characters. In a scene dissection for Vanity Fair, Johnson said: "A... [ 734 chars]
